Accessories such as harness, wetsuit and shoes are not included in the equipment rental.

To rent kite material you should at least have the VDWS Level 5 and certainly be able to run height. If that's not the case we unfortunately cannot give you any material for kiting alone. Your safety is the most important thing to us.

*The insurance covers damages on equipment up to the credit of 1.500€. Deliberate damage is excluded, as are damages caused by theft and loss, fins damages are not covered by the insurance. The deductible excess is 50 € - which is the part the insurance holder will have to pay for each damage. Rest of costs will be taken from the credit.

Additional pre-booking savings:

Share equipment with your partner for just + 25 % on top of the regular price.

Families with children up to 3 years old can share equipment at no extra cost.

For children up to and including 15 years of age, we offer a 30% discount on kite- and windsurf-material rental.

1 day = 2 hrs	345 €
2 days = 2x 2 hrs	660 €
3 days = 3x 2 hrs	975 €

For safety reasons all our courses are given with our rental material.
We don't take any responsibility for private material nor change the prices when using private material.

*The number of participants per course and instructor is max. 4 people. The duration of a course-day is 3 hours.
With fewer students the duration of the course will be reduced accordingly.
It is possible to book up to two lessons per day. In the group courses, the two students always share a kite.

** The semi-private / VIP courses always take place with two students and one instructor. During the training you will get your own kite and have the maximum time on the water. **IMPORTANT NOTE:** for safety reasons, both students first receive a kite together to learn how to safely control the kite. As soon as this is possible, both students will each receive a kite. The teacher takes on the assessment for this.

In order to give our students even more security and even better training with the best possible learning success, our certified instructors train you with Bb Talkin. As a student, you get your own Bluetooth headset that is integrated in the helmet and can not only understand the teacher better and more clearly, but also communicate directly with him. And due to the Bluetooth technology, the transmission is clear.
